Tax-Exempt 457(b) plans do not have the option to roll over assets, but may allow Transfers to the same type of plan. You may also want to check with your employer before initiating a transfer or rollover request.

3. YOUR PREVIOUS INVESTMENT PROVIDER

Unless otherwise instructed, when assets are coming from a different employer's plan than the employer listed in Section 2, this transaction will be processed as a rollover. Any grandfathered pre-1987 and/or pre-1989 balance information will not be carried over. If you are requesting assets from a previous employer's plan and wish to initiate a transfer instead of a rollover, please include a letter of instruction with your form.

You may use this form for a direct rollover or for an indirect (60-day) rollover.

If you have already received a check from your prior investment provider and would like to make an indirect rollover, please be sure to include:

A check payable to the plan custodian or trustee

AND

A distribution statement from your prior investment provider

Please note: A rollover contribution must be received by Fidelity within 60 days of your receipt of such distribution. Your plan sponsor reserves the right to require sufficient evidence that your distribution is from an eligible retirement plan or IRA.

4. ACCOUNT INSTRUCTIONS

If you wish to change how your future contributions will be allocated, please call a Retirement Services Specialist at 1-800-343-0860.
