COMMONLY ASKED QUESTIONS:

Why do I need an eye examination, especially if I haven't had a prescription change or I don't have a vision problem?

An eye examination means more than getting a prescription - it evaluates your eye health and is critical in the early detection of several vision - and health-related conditions, including glaucoma, diabetes, cataracts, and hypertension. And because early detection is key for treatment, periodic eye examinations play a vital role in ensuring the health of your eyes.

Eye examinations are also important for the health and safety of children. The American Optometric Association recommends that children receive their first eye examination from an eye care professional as early as six months of age. Afterwards, your provider will advise you when your child's next eye examination should be scheduled.

EyeMed's providers are dedicated to preserving your vision, while also making it convenient for you to receive quality eye care. To find out more about eye examinations and eye health, visit www.eyemedvisioncare.com and select "Eye Care Basics."

What are the benefits of selecting eyewear from an EyeMed provider?

When visiting a provider in the EyeMed network, you can choose from a wide variety of frames to fit your lifestyle. You can choose traditional, contemporary or fashion frames. Many EyeMed providers carry frames from Luxottica, the world's leading frame manufacturer of such brands as Anne Klein®, Brooks Brothers, Persol® and others.

EyeMed recommends that you consult with your provider if you have questions about how your vision care plan will be applied to your eyewear selection.

Will I save more with this vision care benefit, or with an eyewear coupon or other promotional offer?

Take a few minutes to review your plan coverage. In almost every instance, you will find that your vision care plan delivers greater savings at more provider locations than a coupon or special offer. You can also use your benefit when it's convenient to you, without having to worry about coupon expiration dates or limited time offers.

Please note, your benefit cannot be combined with any other discounts or promotional offers.

Will I need to obtain a claim form to receive services?

No, with your EyeMed Plan, you do not need to obtain a claim form for the in-network services. Simply tell your provider that you are an EyeMed member when you make your appointment or visit a participating provider location. If you receive an EyeMed Vision Care ID card, you should present this card to easily identify yourself as an EyeMed member.

ACCESSING YOUR BENEFITS:

To Access Your EyeMed Benefit:

1. Locate the EyeMed provider most convenient for you by calling our Customer Call Center or visiting our website.
2. Schedule an appointment. When making the appointment, tell the office that you are an EyeMed member and provide your name, the name of your organization or plan, and your member ID number.
3. When you arrive, identify yourself as an EyeMed member and present your ID card (if applicable).
4. Your EyeMed provider will take care of the rest.

Once the plan has become effective and you are enrolled as a member, you can access your vision benefits and locate a provider by visiting www.eyemedvisioncare.com.

To Access Your PRK or LASIK Discount: (if applicable)

If your plan includes a PRK or LASIK benefit, please follow the steps below.

1. Call the U.S. Laser Network at 1-877-5LASER6 to find the laser correction provider most convenient for you.
2. Schedule a consultation with the provider. When making the appointment, tell the office that you are an EyeMed member.
3. During your consultation, you and your provider will determine whether or not you are a good candidate for the procedure.
4. If you choose to proceed with treatment, call the U.S. Laser Network again at 1-877-5LASER6 to request an authorization for your discount. A refundable deposit will also be requested at this time. The authorization will be sent to you and the laser provider.
5. Schedule your procedure. After your appointment be sure to follow all post-operative instructions carefully.

Please recognize that members are eligible for benefits only on or after your plan's effective date. Benefits and discounts, including the laser vision correction discount, do not apply before that time.

Getting an eye exam is beneficial to your health!

Getting an eye exam is more than just testing your vision. Eye exams can assist in the early detection of vision conditions and health conditions such as:

- Glaucoma
- Diabetes
- Cataracts
- High Blood Pressure
- Astigmatism

That's why it's important to get an eye exam on a regular basis. Children need eye exams, too! Did you know the American Optometric Association recommends that children receive an eye exam as early as six months of age? Our nationwide provider network will be happy to assist you in servicing your vision care needs.

**LASIK and PRK Benefit

EyeMed is pleased to provide all EyeMed Vision Care members with a laser vision correction benefit. EyeMed and LCA-Vision have arranged to provide this benefit to all EyeMed Vision Care members through the U.S. Laser Network. Members are entitled to a 15% discount on the usual and customary fees for LASIK and PRK procedures, or a 5% discount on any promotional pricing, whichever is the greater benefit. One easy phone call to **1-877-5LASER6** begins the process of using your benefit. No claim forms are needed, making it a hassle free process for members.

Continued Eyewear Savings

Your EyeMed benefit also provides for continued savings through our Premier Plus Secondary Purchase Plan. After your initial benefits have been utilized, you are able to receive ongoing discounts on additional eyewear purchases at EyeMed provider locations, which result in discounts up to 45% off the retail price of eyewear and accessories. See your EyeMed provider for details.

Contact Lens By Mail Program

You may order replacement contact lenses for competitive prices via the internet, and have the contacts mailed directly to your home. The service is for replacement contact lenses only, and your core benefit allowance or discount will not apply to the service. Your initial pair of contact lenses must still be purchased from your eye care provider to ensure proper fit and follow-up care. Simply visit www.eyemedvisioncare.com for details, and a link to the order site.

Check with your participating EyeMed provider for services and selection.
